

What was the price of battery-grade nickel sulphate last Friday?

The quotes of battery-grade nickel sulphate stood at 34,500-35,500 yuan/mt last Friday, up 250 yuan/mt from a week earlier. SHANGHAI, Jan 5 (SMM) - The quotes of battery-grade nickel sulphate stood at 34,500- 35,500 yuan/mt last Friday, up 250 yuan/mt from a week earlier. The market transactions were sluggish.

Is battery-grade nickel sulphate better than Class 1 nickel briquette?

As of Sep 18, the premium for battery-grade nickel sulphate over class 1 nickel came in at 4,475 yuan/mt in Ni content SHANGHAI, Sep 19 (SMM) - Prices of battery-grade nickel sulphate have again surpassed those of nickel briquette, bolstered by production curtailments and demand recovery.

What is the price of battery grade sulphuric acid?

In the Indian market, the price of the commodity is highly influenced by the demand from downstream phosphate fertilizers segments and upstream crude oil values. Thus, the price of Battery Grade sulphuric acid was assessed at 288.7 USD/MT during the final week of the quarter.

Why are nickel sulphate prices lower than refined nickel prices?

Nickel sulphate prices were lower than refined nickel prices in the past months. Losses in the past two months drove nickel sulphate producers to slash output, or even shift to producing pure nickel to chase higher profits.

Are nickel sulphate premiums hampered by existing inventories?

Upside potential in nickel sulphate premiums is hampered by existing inventories, as demand recovery is unlikely to fully deplete stocks in September. SMM data showed that nickel sulphate inventories in China accumulated 1,262 mt in Ni content in June-August.

Will demand for nickel sulphate grow in September?

Demand for nickel sulphate is expected to grow in September. The battery-grade nickel sulphate premiums over class 1 nickel briquette are likely to further expand in September, but will struggle to exceed 10,000 yuan/mt in Ni content, the costs for turning nickel briquette or powder into nickel sulphate.

Chinese nickel sulfate price slides. Nickel sulfate prices in China tumbled in the week to December 2, ending an uptrend that had been in place since July 29, amid mounting ...
