

How do you put a blanket on a pillow?

If your blanket is a square, fold any side under. If your blanket has a decorative side, spread out your blanket with the decorative side facing down. This way, your pillow will show the decorative side. Fold one of the long sides to the center of the blanket. Grab one of the long sides of the blanket.

What is a solar pillow?

Made from our instant cooling Ver-Tex™ fabric technology, our Solar Pillow Series is designed with a crescent-shaped curve that cradles your head, neck, and shoulders for weightless support. Giving you the best of both worlds, our dual-sided pillow allows you to adjust your comfort level with just a flip for a more restful night's sleep.

What does folding a blanket into a pillow mean?

The art of folding a blanket into a pillow signifies more than just a bedding hack; it's symbolic of the evolving nature of our daily lives. It's about maximizing utility, optimizing space, and infusing an element of creativity into the mundane.

Do you put your pillows out in the sun?

Do you put your pillows out in the sun? According to some, this practice makes the bed feel more comfy and clean. Our family does it every couple of months with their down pillows, believing that the sun acts as a natural disinfectant. The pillows are spruced up, cleaned up, and fluffed up by being outside.

What size piping does a solar Pillow have?

The three heights -- 1.0, 2.0 and 3.0 sizes -- includes mesh on all sides, giving the Solar pillow cross-ventilation for maximum breathability. Do the colors of the piping on the pillow vary by size? Yes, the colored piping varies depending on size: 1.0 is purple, 2.0 is blue, and 3.0 is pink. What are the benefits of Ver-Tex Technology?

How do you fold a blanket?

Fold the ends to the center of the blanket. Tuck one end of the blanket into the pocket on the other end. Lay your blanket flat and fold one side to the middle. Spread your blanket on your bed, a table, or the floor, and smooth out any wrinkles. Then, take one of the long sides of your blanket and fold it over to the center of the blanket.
