

Ring terminals fasten around bolts or threaded connection posts to create semipermanent connections between wires and circuit points. Also known as ring connectors, they connect power or ground wires to post-type connections in high-vibration applications, such as automobiles, airplanes, and industrial equipment.

Battery Bulkhead Connectors: Thru panel battery bulkhead connectors with 3/8" stud allows you through a firewall the right way easily ; Premium Quality: The terminal of the battery jumper terminals features 3/8" stud and internal copper core design, which allows larger size wires installation and makes it safer to carry large amperage

Specifications: Material: plastic and copper Color: red and black Quantity: 3 pairs (left and right) Inner diameter (positive): 19 mm Inner diameter (negative): 17 mm Dimension of battery post terminal: 62 x 28 mm/ 2.4 x 1.1 Inch (L x W) Package includes: 3 Pairs of battery terminals (red: ...

Prevent your circuits from shorting with these closed-end caps suitable for use with 8AWG cable. Pack size: 100 Easy to install Wire size: 8AWG Nylon insulation Tin plated copper contact material

Luckily for our customers, Industry Electric has in store a wide variety of pure copper-tin plated, heavy-duty battery terminal connectors that come in a range of sizes and types to cater to the ...

Copper tube terminals, heavy duty ring terminals for connecting high powered connections, battery cable and battery leads by crimping or soldering. Our range of terminals are available for cable from 10mm²; to 95mm²; with a bolt hole ...

2PCS 200A Lithium Battery Lithium Battery Connector Energy Storage Terminal, Battery Post Through The Wall High-current Copper Terminal Specifications: Current: 200 Voltage: 0~600V AC Color: red+black Dielectric Strength: 3000V Material: PA66/H62 BRASS Copper nose size: 14.8*8mm Mounting screw: M4*16MM Mounting hole pitch: 18,5-24,5*4 (23*23mm) Screw ...

70 AMP Rated 10mm²; 8 AWG Single Core Stranded Copper Cable RED BLACK 12v 24v Thin Wall Wire (5M 10M 20M 30M) (Black, 5M Coil) ... Battery Cables 12v Heavy Duty with SC16-10 Ring Terminals, Copper Wire Battery Inverter Cable, Battery Leads for Car & Truck (30cm) 4.5 out of 5 stars 142. £7.99 ...

Manufacturing high-quality lead, copper and brass battery terminals designed for durability and reliable performance meeting automotive & industrial needs.

CCT400-10 Copper Tube Terminals For Cable Size 400mm²; - Stud Size 10mm - CCT400-10 Add to

Basket CCT95-6HD Heavy Duty Copper Tube Terminals For Cable Size 95mm² - Stud Size 6mm - CCT95-6HD

Find your copper electrical terminal easily amongst the 255 products from the leading brands (Molex, Klauke, Wurth, ...) on DirectIndustry, the industry specialist for your professional ...

Industrial & Scientific. ... Battery Terminal, Copper Lugs with Wire Shear Cutter. ... Internal Copper Core for high current transfer; Index Notch to Prevent Rotation . Mount ...

United Industrial Supplies stock a range of industrial electrical battery terminals and connectors. Our selection includes positive and negative battery terminals, heavy duty battery terminals ...

120 Pcs Bolt Hole Tinned Copper Terminals Set, Copper Ring Lug Terminals, Cable lugs Ring Battery SC Terminals Set, Wire Terminals Crimp Connector Marine Grade Cold-Pressed Crimp Type (60+60) 4.5 out of 5 stars 283

120 Pcs Bolt Hole Tinned Copper Terminals Set, Copper Ring Lug Terminals, Cable lugs Ring Battery SC Terminals Set, Wire Terminals Crimp Connector Marine Grade Cold-Pressed Crimp Type (60+60) 4.5 out of 5 stars 284

****BRITISH MANUFACTURED using BRITISH CABLE**** 100% PURE COPPER CABLE PROFESSIONAL SUPER HEAVY DUTY JUMP LEADS Award winning range of jump leads (35mm² - 50mm²). Each set is produced using high grade ...
