Ambri claims its liquid-metal battery can break through the asserted " cost, longevity and safety barriers" its press release attributes to lithium-ion batteries, the industry's dominant technology. When Ambri was ...

SHANGHAI, Jun 2 (SMM) - This Thursday, mainstream steel mills in Shandong and Shanxi lowered coke purchase prices, marking the tenth round of price cuts. Prices of wet quenching coke were reduced by 50 yuan/mt and those of dry quenching coke were reduced by 100 yuan/mt, with a cumulative cut of 750-900 yuan/mt.

To sum up, the sufficient supply of coke extended and the steel mills still intended to lower their purchasing prices amid weak market. In addition, the costs of coking companies continued to decline. Therefore, SMM believes that the coke prices may continue to weaken after the Labour Day holiday, signalling at the sixth round of coke price cuts.

6 ???&#0183; To meet market demand, provide more comprehensive and diverse spot price information, and offer enterprises more settlement reference standards, SMM has decided, after market surveys and communication, to discontinue the original price points for lithium battery-grade PVDF (domestically produced) and lithium battery-grade PVDF (imported) starting from ...
